October 25, 2019

PUBLIC NOTICE OF STREET CLOSURE

TO: RESIDENTS

**IN THE AREA OF SOUTH STREET AND DE HAVEN STREET, FROM THE
INTERSECTION OF RIBERIA STREET UP TO MARTIN LUTHER
KING AVENUE**

Purpose of Closure:

The City has DB Civil Construction under contract to install new stormwater drainage infrastructure and water main replacement on a portion of South Street and De Haven Street to replace aging utility infrastructure. Once the work is completed, the roads will be resurfaced. As such, a portion of South Street and De Haven Street will be closed from the intersection of Riberia Street up to the intersection of Martin Luther King Avenue. A MAINTENANCE OF TRAFFIC PLAN will be in place to direct traffic flow during the Road Closure. Please follow road closure and detour signs and plan accordingly.

Schedule:

Construction duration will be approximately 9 months. Equipment and mobilization is expected to begin the week of October 28th. Construction necessitating periodic road closures is anticipated to start November 2019 continuing up until July 2020.

Work Hours:

7:00 AM to 5:00 PM, Monday through Friday. In order to expedite the project schedule, minimize the duration of the road closures and to work around the tidal cycle, there may be some limited work required during alternate hours. More details on the alternate work schedule and associated notification will be provided in advance if it is required.

Local traffic access will be maintained to the best extent possible, including access to existing driveways for residents. However, no vehicular through traffic will be permitted. See the enclosed Project Information Flier for additional details.

**FOR MORE INFORMATION, PLEASE CONTACT THE PUBLIC WORKS DEPARTMENT
AT (904) 825-1040.**
